COMPLETE THE STORY BY FILLING IN THE BLANKS

Invasive plants are introduced to new environments and cause _____ to ecosystems because they outcompete _____ and _____ plants.

Sophie and Josh went to _____ to look for the _____ plants on the run. They did not get there in time though. Bad Bluet and Terrible Tansy had already left because the environment was too _____, _____, and _____.

Before Josh and Sophie continued their search, they demonstrated Play-Clean-Go by making sure no plants or seeds were stuck to their _____, and _____. They also cleaned up all the _____, and _____ so no new invasive plants would grow.
