

NEW INVADER APPLICATION FORM

The TNRD will cover UP TO 100% of the cost of invasive plant control, on listed new invaders, by a licensed contractor using herbicide. The amount (\$) covered may vary dependent upon the size and extent of the infestation and funding availability. The maximum amount the TNRD will cover is up to \$4,000. Exceptions to the maximum coverage may be considered under exceptional circumstances. This rebate may be applied for on a yearly basis for work done the same calendar year.

How To Apply:

1. Landowners must make arrangements with a certified licensed applicator, from the TNRD Contractor List, to carry out herbicide treatment on the property listed.
2. Once the treatment is complete, landowners must pay the contractor directly.
3. The landowner submits a completed New Invader Program application package to the TNRD for their rebate. The application package must include to the following completed documents:
 - a. New Invader Share Application Form
 - b. Electronic Funds Transfer (EFT) Form*
 - c. Contractor Treatment Invoice*
 - d. Herbicide Treatment Day Sheet *
 - e. Map of Treatment Area*

**These forms are completed by the contractor and provided to the landowner for inclusion in the application package.*

Payment: ***NEW***

As of 2024, all program rebates will be issued via Electronic Funds Transfer (EFT). The certified contractor must complete an EFT form and email it directly to the TNRD at ap@tnrd.ca in advance of the service OR include it with the application package. Submission of the EFT is only required once, unless the contractors banking information changes. If the contractor is unable to accept EFT, please have them contact the TNRD's finance department.

Conditions:

- Only residents paying taxes to the TNRD or the following municipalities qualify for this program: City of Merritt, District of Clearwater, District of Logan Lake, Sun Peaks Mountain Resort Municipality, and the Village of Clinton.
- Invasive plant species eligible for this program must be on the 50% Cost Share Program Eligible Invasive Plant List. Plants NOT on this list must be pre-approved by the appropriate TNRD representative.
- The TNRD may send a TNRD representative to the treated property to monitor pre and post treatment.
- Reimbursement to program participants is based on funding availability and the order the applications are received.
- Rebate payments are issued twice per year with application submission cut off dates being July 31st and October 15th.
- The annual application deadline is October 15th.
- Rebate payments will be made out to the registered land owner.

Disclaimers:

- The TNRD SHALL NOT be involved in laying out treatment areas, selecting the pesticide applicators & pesticide products, applying the herbicide, or other matters of operational nature. The landowner is solely responsible for all work done by the applicator.
- The TNRD DOES NOT authorize herbicide treatments; it is the sole responsibility of the landowner/lease holder to ensure any necessary approvals/consultations are obtained prior to treatment and that all relevant regulations are being followed.
